REMARKS

The June 21, 2004 Notice to File Missing Parts of Application indicates that the oath or declaration is unsigned. The Notice also indicates that replacement drawings in compliance with 37 C.F.R. §§ 1.84 and 1.121 are required.

In response, applicant attaches hereto as **Exhibit C** a signed Declaration and Power of Attorney pursuant to 37 C.F.R. §1.53(f). In compliance with 37 C.F.R. §1.63, the Declaration refers to the application's above-identified serial number and filing date. Applicant notes that the signed Declaration and Power of Attorney attached hereto (**Exhibit C**) names more than ten patent practitioners. In accordance with the Final Rule Regarding Revision Of Power Of Attorney And Assignment Practice, effective June 25, 2004, applicant also attaches hereto as **Exhibit D** a Communication In Accordance With 37 C.F.R. §1.32(c)(3), identifying nine patent attorneys named in the power of attorney who are to be recognized by the Patent Office as being of record in the subject application.

In addition, applicant attaches hereto as **Exhibit B** four (4) sheets of replacement drawings for Figures 2A-2D which applicants believe are in compliance with 37 C.F.R. §1.84, i.e., the drawings are not too dark.

The surcharge under 37 C.F.R. §1.16(e) for submitting the enclosed Declaration for a small entity is sixty five dollars (\$65.00) and a check for that amount is enclosed.
